The **Milliken Creek Inn & Spa** isn't big, just 12 rooms on three acres in **Napa Valley**. But sometimes small is nice. Conde Nast Traveler's Readers Choice Awards ranked the inn 29th of the 50 best small hotels in the U.S. For a limited time, the inn is offering rooms for a low \$199 a night for a package that includes breakfast and a \$75 spa credit.

The deal: This is one of the lowest prices I've seen for rooms at this inn. Along with breakfast and the spa credit, the Refresh Package adds guest passes to a fitness center, a daily wine-and-cheese reception and a nightcap.

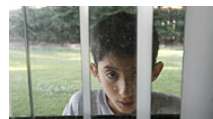

When: The offer is good for stays Sundays-Thursdays until

Tested: I found availability for a room with a king-sized bed for Jan. 8-9 for \$199 plus tax. Best available rate for the same room on the same night costs \$76 more, and that's without the extras. Also, massages start at \$160 for 75 minutes, which makes it almost half off with the included credit.
